18th September 2018

Dear Parents and Carers,

The response to our offer of extra-curricular clubs this term has been incredibly high. Unfortunately this has meant that for some clubs, demand has outstripped supply and some children have understandably been disappointed that they have not secured a place.

Although we did anticipate additional interest in our clubs in line with the fact that we now have an extra class in school, this is clearly not an ideal situation and the last thing we want is for children not to be able to take part in these activities.

While the building work is still ongoing and certain rooms/spaces in school have not been available, I have been reluctant to commit to lots of extra activities being arranged for the start of this term. However, now that the end is in sight, this is something that we need to review so that when clubs are offered for the Spring term, there is greater choice and additional capacity where possible. We will also review how and when club availability is released to parents to make the process as fair as possible.

We have tried to respond to feedback quickly and as a result we have provisionally arranged for an additional Y2-Y6 football club to run on Wednesdays from 3.20-4.20pm if demand is high enough. Please contact the main office to register interest.

Thank you for your patience with this matter.

Yours sincerely,

Ben Paxman
Headteacher
