Headteacher: Mr Ben Paxman
Chair of Governors: Mr Alex Munro

Dear Parents and Carers,

Children's learning is at the heart of all that we do. We also value the importance of clear and regular communication with parents, carers and our community.

Over the coming weeks, we are going to start to share your child's learning more regularly with you. This will be shared with you via a text message with a question or ideas for things to talk to your child about, following on from the learning that has happened in the classroom. The text message will follow the format of **'Learn Together: Ask me about...'**

We want you to be fully informed about the great learning that happens every day at school, but we know it can be hard to tease out what learning has taken place. Often, it's the playtime games and what they had for lunch that children remember! That's important too, but we hope you'll agree that the more we share, the better informed you will be about your child's experiences and what happens day-to-day in school.

If you have any feedback or thoughts on this idea, we'd really welcome your input. Get in touch through the usual means or pop in any time to chat to a member of staff.

Yours sincerely

Ben Paxman
Headteacher
