Tuesday 5<sup>th</sup> December

Dear Parents/Carers,

On Friday 25<sup>th</sup> January, we will be having an 'Inspire to Aspire' day. The aim of this is to open the children's eyes to the wide range of career opportunities that there are, to think about their futures and to promote ambition and aspirational thinking. During the day, the children will hear from adults who have chosen different career paths, and participate in activities focused around different jobs.

In order to make this day a success, we are inviting members of the community to come in and talk to classes about the job that they do, why they chose their job and what route they had to take to get there. We hope that this will encourage the children to think about what they would like to do 'when they grow up' and how they might achieve this. We would love to have a range of different talents, jobs and professions to give our children an insight into what they could aspire to in the future.

If you would like to share what you do with a class of children on January 25<sup>th</sup>, then please fill in the slip attached & send it into school.

Once we have an idea of number of volunteers, we will get in touch with a timetable and further information.

Thank you for your support.

Yours sincerely

Coralie Corrin  
Assistant Headteacher
