Dear Parents and Carers,

In children's last year of primary school, they are required to take Statutory Assessment Tests (SATs) at the end of Key Stage 2. These are tests that the children will be taking in school during the week beginning 13th May. There will be more information about these in a session for parents/carers in February. In the spring term, lessons continue as usual but in preparation for the SATs, we provide revision sessions for the children to come along to.

From January, we will be beginning two types of revision clubs for the Y6 children:

Club 1

Morning Revision Club

This will involve the children coming into school daily at 8.20am. From this time, the children will be able to do various activities including computer-based sessions on 'Education City' which will give the children an opportunity to work through a series of 'virtual lessons' and questions based upon their needs. These will be supervised by an adult who will be able to help the children when required. It will begin on Tuesday 8th January at 8.20am and run daily until May 10th.

Club 2

Afterschool Revision Club

These sessions will have a Maths and Reading focus. A high number of staff members have offered to run a revision club weekly afterschool for the Y6 children on **either** a Tuesday or a Thursday from the end of school - 4.30pm. This club will run as workshops, focused on building on subject knowledge, discussing how to answer test type questions and going through test techniques. These sessions will begin on the **week beginning Monday 14th January** and will run for 10 weeks (not including the February half term holiday), until 29th March.

We would highly recommend that your child attends the clubs available as they will both offer support in the run up to the KS2 SATs tests in May.

Please could you return the slip on the next page **by Thursday 20th December** to give permission for your child to attend the sessions.

Many thanks,

Coralie Corrin and Chris Atkinson
