Monday 7<sup>th</sup> October 2024

Dear Families,

To enhance our learning in history about the Stone Age, we have planned a very exciting Stone Age day at school on Wednesday 23<sup>rd</sup> October.

The children will spend the day immersed in different activities to teach them about life in the Stone Age. To enhance this even further, it would be great if your child could dress up as a Stone Age person.

To make the day as authentic as possible, we have enlisted the help of Forest School so they have opportunities to do fire lighting, cooking over a fire and flint knapping to make their own spears! The cost of this experience day, along with the activities in the classroom, is £6.69. Please pay this via ParentPay. If you have any questions, please don't hesitate to speak to one of the Year 3 team.

We know that the children will have a great time going back in time!

Yours sincerely,

The Y3 Team
