Friday 18th October 2024

Dear families,

At Totley Primary, as part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools in England. The competition runs from **07:30 GMT Tuesday 12th November 2024 to 19:30 GMT Thursday 14th November 2024**. It's all done online via TT rockstars (via web browser or app).

Children can play in any gamemode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support player wellbeing, there is a daily time limit of 60-minutes per player. In other words, each player can earn competition points for up to 60-minutes between 07:30 Tuesday 12th November to 19:30 Thursday 14th November 2024. Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans.

If you have any specific queries or questions in relation to your child's account, please do contact their class teacher via the school office enquiries@totley.sheffield.sch.uk

Thank you for your continued support,

Mrs Hall
Y4 Teacher
