Dear Parents / Carers,

As you know, we have introduced a new phonics scheme, Read Write Inc to our FS2 and KS1 children.

As part of the scheme, the children are sent home with weekly books to read. One of these books will be a photocopied version of the book that they have been reading with their phonics teacher. They will have read this book three times in their group and should be able to read it with confidence. We would like you to read it with them and celebrate their successes with them. These will be in your child's bag today.

The other book that they will be sent with is a 'Book Bag Book'. These are linked to the books that they have been reading in their groups and will include sounds and words that they have been reading this week. We will be sending these home with your children from **next week**.

In order to adhere to COVID-19 guidelines and make sure that books are sanitized before sending them home, they will need to be quarantined. We are going to ask that books **are returned on Tuesdays** so that we can then send them out again on a **Friday**.

The plan is as follows,

As before, we will also be sending 'Reading for Pleasure' books home that the children have chosen themselves and are to be shared with their adults. These might sometimes be above their reading level but they can be read to them by an adult.

Please get in touch if you have any questions.
Thank you for your continued support,

Lauren Coupe
Reading Leader
