Dear Parents and Guardians,

To help promote Physical Education at Totley Primary School and the benefits of exercise for our wellbeing, we will be holding our very own sponsored, 'Around the World in 80 Days' challenge in the summer term.

To complete the challenge, we will collectively need to run 24,901 miles. With around 300 children at school and 30 members of staff, this will require a contribution of a mile a day per person.

We would appreciate your support in helping us to achieve our goal by ensuring children arrive to school with appropriate footwear to run outside.

The money raised from the event will go towards further helping improve the wellbeing provision at Totley Primary School. Through sponsorship money raised, we hope to also improve the outdoor provision available at play times such as play equipment, playground markings and an all-weather track so we can continue to run a mile a day all year round.

If you would like to sponsor your child and Totley Primary School, please fill in the attached sponsorship form and if you have any questions please do not hesitate to ask.

Yours sincerely,

Sam Flevill  
P.E. Co-ordinator
