Headteacher: Mr Ben Paxman
Chair of Governors: Mr Alex Munro

Thursday 19th September 2019

Dear parents and carers,

You may be aware that a Global Climate Strike has been organised to take place in Sheffield tomorrow which is open for people of all ages to attend.

Whilst we will continue to provide a first-class education for our children during the day of the strike, as we do every day, we would like to express our respect and solidarity with the principles underpinning the action.

The small changes we all make as individuals and institutions will have an impact on the environment but this needs to be supported at a local, national and global level to protect the futures of the young people of the world.

We will continue to strive to do our bit for the environment and hope that you will all contribute in whatever way you can. If you are planning on allowing your son/daughter to attend the strike please contact school to let us know. We would not be able to authorise the absence in this case.

Learning about the environment and caring for the world around us is a key part of our curriculum and we will give opportunities for children to ask questions about any issues which may be raised.

Thank you for your understanding and support,

Yours sincerely,

Mr Paxman
