Headteacher: Mr Ben Paxman
Chair of Governors: Mr Alex Munro

Dear Parents and Carers,

Digital Learning at Home (access and devices)

Firstly, a huge thank you for your support in getting your child set up on Google Classroom. It has been an incredibly useful tool already to share homework, and has been put to the test sooner than we expected with Year 6 isolating this week. The first submission was made only 50 minutes after bedtime last Friday, and children's work and notifications have been pouring in ever since! Some of you got in touch with problems logging in. Thank you for your patience, and do let us know if you're still unable to access your child's classroom.

We know that technology is vital in order to access remote learning. We want to be able to support families as best we can, so we need an accurate picture of what technology you have at home.

Please complete this short survey.

We have also been trialling live feedback lessons in school. We are collaborating with the other primary schools in the Mercia Learning Trust to plan how to do this safely and effectively. We will be in touch again next week about our next steps for this in our plan for improving remote learning.

As ever, please get in touch with your questions, feedback and ideas.

Best wishes,

Mr Atkinson
Deputy Headteacher
