Dear parents and carers,

Taylor Shaw, our school meal provider, is now encouraging schools to stop offering cartons of juice for sale from the school canteen at lunchtime. This is something we would like to support at Totley Primary in order to reduce the amount of sugar available to children during the school day and encourage a healthy lifestyle. Once the current stocks of juice cartons have sold out, they will not be replenished. I can assure you that the children will continue to be offered plenty of delicious, fresh Yorkshire water throughout the school day, including at lunchtimes.

Many thanks for your support,

Mr Paxman,
Headteacher
