Wednesday 29<sup>th</sup> April 2020

Dear parents and carers,

I would like to thank you all for your support so far in engaging with our home learning resources as much as you can. In order for us to find out what is working well and what we could improve, it would be much appreciated if you could complete a short survey?

These will be sent out shortly in the form of an invitation to complete a Google Form. If you have multiple children in different classes, you will receive surveys for each class. This will help us to gauge if we have achieved the right balance for different age groups.

We have designed the surveys to be quick to complete so hopefully they won't take up too much of your time. Please note that the purpose of the surveys is to give us a whole school overview of our provision rather than identify pressing individual or personal needs – please contact class teachers or the SLT via email if this is the case, so that we can offer support.

Many thanks in anticipation of your contribution.

Ben Paxman  
Headteacher
