Monday 27<sup>th</sup> January 2020

Dear Parents and Carers,

### **PTA EVENTS AND MATCH FUNDING SCHEMES**

You will hopefully be aware of the events run by the Parent Teacher Association (PTA) to help make school even more fun and also raise money for new investments that enrich the learning environment. This includes things like the new reading cabin that will be appearing outside the Phiz Lab in a few months, as well as recent purchases of robotics equipment.

Many of you are incredibly generous with your time to help run these events and so I wanted to raise some awareness of the various match funding schemes that exist and how your time could raise double the funds for the school!

If you work for an organisation that has a match funding policy, any money you raise could be matched by your employer. They might match the fundraising total for an event, or for the stall that their employee is working on.

Organisations with match funding policies include high street banks, supermarkets and other large corporations. I enclose a list of organisations (**see Appendix**) that are known to have had match funding policies, but it is not limited to these by any means. If you work for an independent or smaller company, they may also be interested in charitable giving through match funding.

It would be great if you could see if your employer has a match funding policy, or if they are willing to match fund any of our events. This could be a really large source of income for the PTA and help us raise money for the school. If you find this is the case please do get in touch with me via the school office or PTA email address ([pta@totley.sheffield.sch.uk](mailto:pta@totley.sheffield.sch.uk)) and we can discuss your employer's requirements.

Thank you for your support.
