20<sup>th</sup> November 2019

Dear parents and carers,

I'm sure you are aware that there is an unpleasant diarrhoea and vomiting bug doing the rounds at the moment. Teachers have talked to the children about good hygiene and the importance of washing hands, especially before eating and after having used the toilet.

In line with the latest Public Health England guidelines, we ask that children with diarrhoea or vomiting should be kept off school until 48 hours after symptoms have stopped and they are well enough to return. If medication is prescribed, ensure that the full course is completed and there is no further diarrhoea or vomiting for 48 hours after the course is completed.

Many thanks for your support with this matter.

Yours sincerely,

Ben Paxman  
Headteacher
