Dear parents/carers,

On **Friday the 9<sup>th</sup> of October 2020** our whole school will be joining in with many other schools to mark World Mental Health Day by wearing yellow. We hope to raise awareness of the importance of being mentally healthy and how we can care for our minds, throughout the week beginning the 5<sup>th</sup> October and finish the week by wearing yellow on the Friday.

We would also like to raise funds so we can buy resources to support any children in our school, who are struggling to maintain a healthy mind, by encouraging children to wear something yellow and donating between 50p - £1 to our good cause. Any donations would be kindly received on ParentPay via a voluntary donation.

So let's dig out anything yellow to wear to show our support. It could be wearing yellow head to toe, a pair of yellow socks or your biggest, brightest yellow bow.

Yours Faithfully
