Dear Parents / Carers,

For our rocks and fossils topic, Year 3 are going to be participating in a Volcanoes and Earthquakes workshop at school on Thursday 11<sup>th</sup> July.

During this workshop, we will have an exciting visit from an external company who will use drama and role play to bring the topic alive! We will be learning about the history and myths behind earthquakes and volcanoes, the science of how earthquakes happen and understanding the human experience of these natural disasters. We will use this experience as a summary of our topic, bringing together all the exciting information we have learnt.

The experience will cost approximately £5.00 per child. This contribution is voluntary; however, if we do not receive enough funding, then we will have to cancel the event. This contribution can be paid on ParentPay by Friday 28<sup>th</sup> June.

If you have any questions please feel free to speak to me.

Thank you.

Miss Cooper

Class Teacher
