Dear Parents / Carers,

For our Stone Age topic, Year 3 are going to be participating in an immersive Stone Age workshop at school on Tuesday 5<sup>th</sup> November.

During this workshop, we will have an exciting visit from the History Van, who will use historical props, drama and role play to bring the topic alive! The children will work out how early Stone Age people survived life shortly after the last Ice Age, identifying 12,000 year old bones and making paint for cave art paintings. We will use this experience as a hook for our topic, immersing the children in the topic and getting them excited to learn more about the Stone Age.

The experience will cost approximately £5.00 per child. This contribution is voluntary; however, if we do not receive enough funding, then we will have to cancel the event. This contribution can be paid on ParentPay by Friday 25<sup>th</sup> October.

If you have any questions please feel free to speak to the Year 3 team.

Thank you.

Miss Cooper, Mrs Lockhart and Mrs Fulcher
